NOTE

This fabric has been treated with a special process that gives it a fine VINTAGE EFFECT

The treatment that allows you to obtain the tones and shades that are considered distinctive of this article could determine slight differences between the lots which are therefore not defects but peculiarities of the article itself.

The surface of this item may experience color transfer due to some dyes used for clothing and accessories (e.g. jeans). This aspect is amplified with high humidity or high temperatures. The company isn't responsible in case of color migration.
